
Geraint Hughes

the Labour government and East-West politics, 1964-1970

Harold Wilson's Cold War: The Labour Government and East-West. - Google Books Result

His party was also sharply divided, with many Labour members of parliament MPs bitter. Exhausted, Wilson resigned saying politicians should not go on and on. But his government was dogged by torrid industrial relations and recurrent and he struggled to adjust to the political realities of the Cold War, preferring Harold Wilson's Cold War: The Labour Government. - Google Books
